STATEMENT OF OBJECTS AND REASONS

As a result of the Supreme Court judgment in the case of May and Baker (India) Limited and their Workmen (1961-II-LLJ. p. 94), the persons engaged in sales promotion do not come with n the purview of the definition of "workman" under the Industrial Disputes Act, 1947 and as such they have no protection regarding security of employment and other benefits under that Act. These persons, particularly the medical representatives in the pharmaceutical industry, have been demanding from time to time that they should be covered by 'he Indus'rial Disputes Act. On a petition made by the Federation of Medical Representatives' Associations of India, the Committee on Petitions (Rajya Sabha) in its thirteenth report submitted on March 14, 1972, came to the conclusion that "the ends of social justice to this class of people will be met only by suitably amending the definition of the term 'workman' in the Industrial Disputes Act, 1947 in a manner that the medical representatives are also covered by the definition of 'workman' in the said Act'. The Committee also felt that other workers engaged in sales promotions should similarly be considered as workmen.

- 2. Keeping in view the justification of the demand of the sales promotion employees, and the recommendation made by the Committee on Petitions, and taking other relevant aspects into consideration, it is considered more appropriate to have a separate logicalition for governing the conditions of service of sales promotion employees, instead of amending the Industrial Disputes Act. 1947 to bring such employees within its purview.
 - 3. The Bill seeks to achieve the above objects.

FINANCIAL MEMORANDUM

Clause 8 of the Bill provides for the appointment of inspectors for securing implementation of the various provisions of the Bill. The proposed legislation is to be enforced by the State Governments and the inspectors are to be appointed by the State Governments. Expenditure would be involved from the Consolidated Fund of India only with respect to the appointment of Inspectors in those Union territories which have no Legislative Assemblies, namely, the Union territories of Delhi, Andaman and Nicobar Islands, Lakshadweep, Dadra and Nagar Haveli, Chandigarh and Arunachal Pradesh. Even amongst these Union territories, in the Union territories of Andaman and Nicobar Islands, Dadra and Nagar Haveli and Lakshadweep, the work to be done by the inspectors, under the proposed legislation can be handled by the existing inspectorates under the labour departments. It may be necessary to appoint one inspector each for the Union territories of Arunachal Pradesh and Chandigarh. Two inspectors may, however, be required to be appointed for the Union territory of Delhi since there is a large scale concentration of not only medical representatives but also sales promotion employees engaged in the sales of consumer goods on a very competitive basis in that Union territory.

2. The inspectors to be appointed will be in the scale of Rs. 550—900 which is the scale of pay of the labour inspectors in the Delhi Administration. The total annual recurring expenditure is likely to be as under:—

Pay of inspectors ... Rs. 43,200

Contingencies including Travellng Allowance, etc. . . Rs. 12,000

3. In addition, a non-recurring expenditure of Rs. 16,000 may have to be provided for in the first year for the setting up of office, purchase of furniture, etc.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 12 of the Bill seeks to empower the Central Government to make rules to carry out the purposes of the proposed enactment. The matters in respect of which rules may be so made relate, inter alia, to the kind of leave that may be granted to a sales promotion employee under clause 4, the form of the letter of appointment to be furnished under clause 5 and the registers and other documents to be kept and maintained under clause 7 of the Bill. The matters in respect of which rules may be made pertain to matters of procedure or detail and it is hardly possible to provide for these matters in the Bill itself. The delegation of legislative power is, therefore, of a normal character.
